Education Level Updates

AFI 36-2305 provides the guidance on education level updates. Education Centers can update enlisted education levels through MILPDS. An official transcript showing the date and degree awarded is required. Officer education level updates are completed through the Air Force Institute of Technology (AFIT). Official transcripts must be sent directly to AFIT from your academic institution. Detailed instructions can be found here: <http://www.afit.edu/coding/index.cfm>

Spouse Education Counseling is available during regular Education Center office hours.

Spouse Tuition Assistance is available to civilian spouses of active duty Air Force personnel assigned in USAFE. Students must be enrolled in a degree program with an on base college and university under contract with USAFE. Please call the Education Center for more information.

My CAA provides up to \$5K in financial assistance for spouses of active duty military personnel as well. <http://www.militaryonesource.com/MOS/FindInformation/Category/MilitarySpouseCareerAdvancementAccounts.aspx>
